# Financial & Health Network Disclosure

We have new legal obligations under the competition and markets authority order 2014 to inform you of the following:

## 1. FINANCIAL INTERESTS:

I have no financial interest in any hospital group where I practice.

## 2. FURTHER INDEPENDENT HEALTH INFORMATION:

A new government led initiative has further information about the hospitals I work at and their own individual input of my scope of practice can be found at: private healthcare information network: [www.Phin.Org.Uk](http://www.Phin.Org.Uk)

## 3. INSURANCE COMPANIES:

I do not liaise with any, and maintain my independence from these organisations.

## 4. CUMULATIVE COST OF TREATMENT:

Once you decide on a specific operation or treatment each individual hospital will send you a detailed breakdown of all of the anticipated costs of the treatment as a package price.

## 5. ADDITIONAL COSTS:

Due to your particular individual medical history, on rare occasions, additional investigations, tests or treatments may be required, which are not part of "standardised" pre-op and post operative care. I will fully explain the reasons for these treatments and the additional cost.
